

# Date Night

## Conversation Starters

What was your favorite childhood cartoon?

If you could have a super power - what a why?

What is something your spouse does that is cute?

What is something fun you would like to see us go and do?

What is your current favorite song?

What is one toy you always wanted as a kid but never got?

What's your favorite time of day?

Spend 1 minute kissing like when you were dating.

If you could be really talented at something - what would it be?
